COMBINED FINANCIAL STATEMENTS WITH INDEPENDENT AUDITOR'S REPORT

> YEARS ENDED DECEMBER 31, 2023 AND 2022

INDEPENDENT AUDITOR'S REPORT

Board of Directors Sierra Health Foundation Sacramento, California

Opinion

We have audited the accompanying combined financial statements of Sierra Health Foundation and Sierra Health Foundation: Center for Health Program Management (collectively, the Foundation) which comprise the combined statements of financial position as of December 31, 2023 and 2022, and the related combined statements of activities and of cash flows for the years then ended, and the related notes to the combined financial statements.

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the financial position of the Foundation as of December 31, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Combined Financial Statements section of our report. We are required to be independent of the Foundation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Combined Financial Statements

Management is responsible for the preparation and fair presentation of the combined financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of combined financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the combined financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern within one year after the date that the combined financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Combined Financial Statements

Our objectives are to obtain reasonable assurance about whether the combined financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance

Board of Directors Sierra Health Foundation Page two

and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the combined financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the combined financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the combined financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the combined financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the combined financial statements as a whole. The combining information is presented for purposes of additional analysis and is not a required part of the combined financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the combined financial statements. The information has been subjected to the auditing procedures applied in the audit of the combined financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the combined financial statements or to the combined financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the combined financial statements as a whole.

NOTES TO COMBINED FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. ORGANIZATION AND PROGRAMS

Sierra Health Foundation (SHF) is a nonprofit corporation with a mission to invest in and serve as a catalyst for ideas, partnerships and programs that improve health and quality of life in Northern California. SHF is committed to improving health outcomes and reducing health disparities in the region through convening, educating and strategic grant making. Since SHF began grant funding in 1985, it has awarded \$112 million in cash grants to 1,535 nonprofit organizations. The funding region includes 26 counties in the northeast part of the state.

SHF Properties is a wholly-owned subsidiary and nonprofit corporation. It was formed to hold title to property and collect and remit income to SHF.

Sierra Health Foundation: Center for Health Program Management (Center) is a nonprofit corporation created in 2012 by SHF to provide leadership, funding and operational support for projects that improve individual and community health status and well-being in underserved communities. It is designed to expand health and wellness in a leadership role by securing resources from multiple funding sources targeting the health needs of the region and state. Since its creation, the Center has awarded \$473 million in cash grants to 2,036 nonprofit organizations. The Center funds organizations throughout California. The Center is controlled by the governing Board of Directors of SHF.

San Joaquin Valley Impact Investment Fund, LLC (the Investment Fund) is a single member limited liability company created in 2018 and is a wholly-owned subsidiary of the Center. The Investment Fund began operations in 2019. The purpose of the Investment Fund is to make the San Joaquin Valley a healthier place to live, work, and prosper by strengthening the capacity of communities' health. The Investment Fund's charitable purpose is to bring people, ideas, and infrastructure together to create a collective impact that reduces health disparities and improves community health for underserved populations in California. The Investment Fund is controlled by the governing Board of Directors of the Center.

In 2020, the board approved the creation of Sierra Health Foundation Community Development Corporation (CDC). Its purpose is to develop housing solutions to improve the physical, economic and social environment of the Sacramento, California and Central Valley region (Region) with particular attention to the needs of persons of low and moderate income; to combat community deterioration, lessen the burdens of government and relieve the underserved communities by assisting the City of Sacramento, California and the State of California in revitalizing neighborhoods. There was no activity for the years ended December 31, 2023 and 2022.

SHF, SHF Properties, the Center, and the Investment Fund's (collectively, the Foundation) programs include the following:

San Joaquin Valley Health Fund

The San Joaquin Valley Health Fund strengthens the capacity of communities and organizations in the San Joaquin Valley to improve health and well-being by advancing programs and policy changes that promote community health and health equity for all.

NOTES TO COMBINED FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Improving Health and Quality of Life

This broad program category focuses on improving health equity and reducing health disparities to promote health and well-being for all. This is accomplished in a variety of ways, including the development of collaborative community coalitions, learning institutes, and evaluation and dissemination of knowledge.

Programs also focus on mental health awareness and respite, reducing the disproportionate causes of death among African American children, support for community coalitions working to improve health and workplace wellness.

Public Policy and Education Program

This program category promotes better-informed policy discourse with a focus on health equity, and captures and disseminates lessons learned from grantees. Staff achieves program objectives through partnerships, research, public education and grant making.

Programs within this category also focus on health and racial equity, and work to build momentum and public awareness to address the systemic barriers that limit access to opportunity for underserved populations.

Nonprofit Health Sector Development

Programs in this category support leadership development and capacity building to create a more vibrant and diverse nonprofit sector. Specifically, programs support capacity building and leadership development activities for current and emerging nonprofit and public leaders, and nonprofit organizations led by people of color. The Foundation also helps nonprofit organizations and public agencies achieve their objectives by providing a venue for education and training, nonpartisan debate and collaboration.

Youth Development

The goal of the Foundation's youth grant making is to lead or support efforts to ensure all young people, especially those at greatest risk of poor outcomes, have opportunities for a healthy developmental path.

The main program in this category is the Positive Youth Justice Initiative, an innovative approach to transform California's juvenile justice system. Initiative partners are redefining how the juvenile justice system operates to better serve the state's most vulnerable youth and help them to have a healthy transition into adulthood.

Disaster Relief

Developed in 2020 as a response to the catastrophic effects of the COVID-19 pandemic and wildfires throughout California, this category focuses on emergency response and support to communities and individuals who are experiencing financial and housing emergencies, food insecurities, and health challenges brought on by natural disasters.

2. SIGNIFICANT ACCOUNTING POLICIES

Principles of combination – The accompanying financial statements reflect the combination of SHF, SHF Properties, the Center, and the Investment Fund (collectively, the Foundation).

NOTES TO COMBINED FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Basis of accounting and financial statement presentation – The combined financial statements are prepared on the accrual basis of accounting and in conformity with professional standards applicable to not-for-profit entities. The Foundation reports information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions – Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of management. Designated net assets without donor restrictions are earmarked by the Board of Directors for a specified purpose.

Net assets with donor restrictions – Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. When a restriction expires (generally, as payments are made to fulfill the purposes of the contribution), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the combined statements of activities as net assets released from restrictions. The Foundation has no net assets that are perpetual in nature.

Revenue recognition – Contributions are recognized in full when received or unconditionally promised, in accordance with professional standards. Conditional promises to give - that is, those with a measurable performance or other barrier and a right of return - are not recognized until the conditions on which they depend have been met. All contributions are considered available for unrestricted use unless specifically restricted by donors for future periods or specific purposes. Restricted contributions that are initially classified as conditional due to a qualifying expense barrier are recognized as net assets without donor restrictions since the restriction is met simultaneously when the condition is released and the revenue is recognized.

The Foundation receives certain government grants which limit spending to qualifying expenditures as defined in the grant agreements. Outstanding conditional promises to give subject to qualifying expenditure requirements were \$108,980,466 and \$73,810,104 at December 31, 2023 and 2022, respectively, and will be recognized as revenue as the conditions are met. At December 31, 2023 and December 31, 2022, the Foundation had \$108,980,466 and \$73,810,104, respectively, recorded as refundable advances.

Cash and cash equivalents – For financial statement purposes, the Foundation considers all investments with an initial maturity of three months or less to be cash equivalents, unless held for long-term investing purposes. See Note 4.

The Foundation minimizes credit risk associated with cash by periodically evaluating the credit quality of its primary financial institution. The balance at times may exceed federally insured limits. The Foundation held with financial institutions cash in excess of federal depository insurance limits of \$6,414,342 and \$40,440,254 at December 31, 2023 and 2022, respectively. The Foundation has not experienced any losses in such accounts and management believes the Foundation is not exposed to any significant credit risk related to cash.

Investments – Marketable securities are stated at market, determined using either recognized and quoted exchange rates on the last day of the fiscal year or Net Asset Value (NAV) as a practical expedient. Investments in real estate include land obtained as part of foreclosure, which is stated at fair value based on professional standards. Limited partnership investments are stated at NAV.

NOTES TO COMBINED FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Real estate investments consist of the Carmichael Ranch Property which is classified as an investment property and was formally appraised in March 2021 and recorded at fair market value. There were no interest or rental property expenses in 2023 and 2022.

Certificates of deposit totaling \$636,409 and \$621,856 as of December 31, 2023 and 2022, respectively, are stated at cost and have maturity dates through June 2024. The certificates bear interest of 4.0% and 0.4% at December 31, 2023 and 2022, respectively.

Grants receivable of \$27,636,448 and \$75,813,517 at December 31, 2023 and 2022, respectively are expected to be collected within 1 year. Grants receivable of \$180,000 at December 31, 2023 are expected to be collected in 2025.

Loans receivable are stated at the amount that management expects to collect.

Advance contract payments are accrued at the time grant negotiations are substantially complete and payment has been approved by the Board of Directors or CEO (when permitted) for grants that are considered conditional contributions. Recognition of grant expense occurs when the related conditions are satisfied by the grantee.

Grants awarded – The Foundation recognizes grant expense at the time grant negotiations are substantially complete and payment has been approved by the Board of Directors or CEO (when permitted).

Property and equipment are stated at cost. The Foundation capitalizes all expenditures for property and equipment in excess of \$5,000. Depreciation is computed using the straight-line method over estimated useful lives of individual assets ranging from 3 to 40 years.

Leases – The Foundation determines if an arrangement is or contains a lease at inception. Leases are included in right-of-use (ROU) assets and lease liabilities in the combined statements of financial position. ROU assets and lease liabilities reflect the present value of the future minimum lease payments over the lease term, and ROU assets are also adjusted for prepaid or accrued rent. The Foundation uses the rate implicit in the lease if it is determinable. When the rate implicit in the lease is not determinable, the Foundation has made an accounting policy election to use the risk-free rate at the lease commencement date, in lieu of its incremental borrowing rate to discount future lease payments. Operating lease expense is recognized on a straight-line basis over the lease term. Lease terms may include options to renew, extend or terminate to the extent they are reasonably certain to be exercised. The Foundation does not report ROU assets and leases liabilities for its short-term leases (leases with a term of 12 months or less). Instead, the lease payments of those leases are reported as lease expense on a straight-line basis over the lease term.

Functional allocation of expenses – The costs of program and supporting services activities have been summarized on a functional basis in the combined statements of activities. The functional expenses present the natural classification detail of expenses by function. See Note 14. Accordingly, certain costs have been allocated among the programs and supporting services benefited. The combined financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocated based on employees' time incurred. All other costs have been allocated based on management's estimate of the usage of resources.

NOTES TO COMBINED FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Income taxes – SHF and the Center are exempt from income taxes under Internal Revenue Code Section 501(c)(3). However, SHF is classified as a private foundation, and is subject to an excise tax of up to 1.39% on net investment income. Both entities are also subject to income taxes from activities unrelated to their tax-exempt purpose. SHF Properties is exempt from federal income tax under Section 501(c)(2) of the Internal Revenue Code.

The Foundation accounts for excise and income taxes in accordance with professional standards. Standards require recognition of deferred tax liabilities and assets for expected future tax consequences of events that have been recognized in a company's financial statements or tax returns. Under this method, deferred tax liabilities are recorded on the unrealized gains and losses in the fair value of securities using the 1.39% excise tax rate. The Foundation records a full valuation allowance on deferred tax assets when it is more likely than not that they will not be realized.

The Investment Fund was formed as a single member limited liability company and is a whollyowned subsidiary of the Center. Since the entity is a disregarded entity for Federal tax purposes, the activity of the Investment Fund is included on the Center's return with a separate state LLC filing. The LLC is liable for the minimum California tax and gross receipts fee each year.

SHF, the Center, SHF Properties and the Investment Fund have applied the accounting principles related to accounting for uncertainty in income taxes and has determined that there is no material impact on the financial statements. With some exceptions, these entities are no longer subject to U.S. federal and state income tax examinations by tax authorities for fiscal years prior to 2019.

Fair value measurements – Fair value is a market-based measurement, not an entity-specific measurement. For some assets and liabilities, observable market transactions or market information might be available. For other assets and liabilities, observable market transactions and market information might not be available. However, the objective of a fair value measurement in both cases is the same—to estimate the price at which an orderly transaction to sell the asset or to transfer the liability would take place between market participants at the measurement date under current market conditions (that is, an exit price at the measurement date from the perspective of a market participant that holds the asset or owes the liability). In order to increase consistency and comparability in fair value measurements, a fair value hierarchy that prioritizes observable and unobservable inputs is used to measure fair value into three broad levels, as follows:

Level 1 Inputs	Unadjusted quoted prices in active markets that are accessible at the measurement date for identical assets or liabilities.
Level 2 Inputs	Inputs other than quoted prices in active markets that are observable either directly or indirectly.
Level 3 Inputs	Unobservable inputs for the asset or liability.

When a price for an identical asset or liability is not observable, a reporting entity measures fair value using another valuation technique that maximizes the use of relevant observable inputs and minimizes the use of unobservable inputs. Because fair value is a market-based measurement, it is measured using the assumptions that market participants would use when pricing the asset or liability, including assumptions about risk. As a result, a reporting entity's intention to hold an asset or to settle or otherwise fulfill a liability is not relevant when measuring fair value.

NOTES TO COMBINED FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Fair value is measured using valuation techniques appropriate to each class of asset or liability, as follows:

Marketable securities (readily determinable fair value)	Share price data from the active markets in which the securities and funds are traded.
Limited Partnerships and other marketable securities	Net Asset Value (NAV) is used as a practical expedient unless the Foundation believes such NAV calculation is not measured in accordance with fair value. These values may differ significantly from values that would have been used had a readily available market existed for such investments, and that difference could be material to the change in net assets of the Foundation.

Use of estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Subsequent events have been evaluated through June 17, 2024, the date the financial statements were issued. Management concluded that no material subsequent events have occurred since December 31, 2023 that require recognition or disclosure in the financial statements.

3. LIQUIDITY AND AVAILABILITY OF RESOURCES

The financial assets available for general expenditure within one year of the statement of financial position date are as follows for December 31 (in thousands):

SHF		<u>2023</u>	<u>2022</u>
Cash and cash equivalents Investments – marketable securities	\$	1,062 27,874	\$ 25 31,992
Total financial assets available to management for general expenditure within one year	\$	28,936	\$ 32,017
Center

Less: Amounts unavailable for general expenditures within one year, due t Restricted by donors with purpose restrictions Refundable advance obligations, less advance contract payments	o: 	(28,339) (98,297)	 (66,507) (66,431)
Total financial assets available to management for general expenditure within one year	\$	34,102	\$ <u>28,145</u> 12

NOTES TO COMBINED FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

The Foundation regularly monitors liquidity required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. The Foundation has various sources of liquidity at its disposal, including cash and cash equivalents, marketable securities, and a line of credit (see Note 8). The Foundation invests cash in excess of daily requirements in marketable securities.

4. MARKETABLE SECURITIES

Marketable securities consist of the following at December 31 (in thousands):

	<u>2023</u>	<u>2022</u>
Cash and cash equivalents	\$ 1,675	\$ 4,368
Hedge funds		1,610
Mutual funds – equity:		
Foreign	8,474	7,377

Less: Accumulated depreciation and amortization	 (11,019)	 (10,535)
Property and equipment, net	\$ 7,254	\$ 6,699

NOTES TO COMBINED FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

6. LOANS RECEIVABLE

In February 2020, the Investment Fund loaned Self-Help Enterprises \$500,000 for charitable programming. The loan matures and is due in full in February 2027, with interest-only payments made on a quarterly basis until the loan maturity. Interest on the note is 2.25% per annum on the unpaid principal balance.

In July 2022, the Investment Fund loaned Grameen America Inc. \$300,000 to be distributed to small businesses in various counties. The loan matures and is due in full in July 2029, with interest-only payments made on a quarterly basis until the loan maturity. Interest on the note is 2.25% per annum on the unpaid principal balance.

In July 2022, the Investment Fund loaned Access Plus Capital \$1,000,000 to be distributed to small businesses in the San Joaquin Valley. The loan matures and is due in full in July 2029, with interest-only payments made on a quarterly basis until the loan maturity. Interest on the note is 2.25% per annum on the unpaid principal balance.

7. GRANTS PAYABLE

Long-term grants payable are discounted to present value. The discount rate used for grants payable recognized as of December 31, 2023 and 2022 was 4.01% and 4.22%, respectively. Grants payable consist of the following at December 31 (in thousands):

		<u>2023</u>	<u>2022</u>
Gross grants payable Less: unamortized discount	\$	17,025 (18)	\$ 13,919 (2)
Grants payable, net	<u></u> \$	17,007	\$ 13,917

Grants payable at December 31 are due to be paid as follows (in thousands):

	<u>2023</u>	<u>2022</u>
Within one year Within two to five years	\$ 15,342 1,665	\$ 13,707 210
Grants payable, net	\$ 17,007	\$ 13,917

NOTES TO COMBINED FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

8. LONG-TERM DEBT

Long-term debt consists of the following (in thousands):

SHF	
Business Loan from US Bank. Interest accrues at 3.48%.Installments of \$18,694 and a balloon principal payment upon maturity in August 2028. Secured by 1321 Garden Highway in Sacramento CA.\$3,499	3,598
Revolving Line of Credit from US Bank. Interest accrues at the SOFR base rate plus 2% (7.38% and 7.68% at December 31, 2023 and 2022, respectively). Principal and interest due upon maturity in August 2024. Secured by marketable securities.1,434	1,434
Center	
Note payable to ImpactAssets Inc. Interest payable in arrears on a quarterly basis (1% at December 31, 2023 and 2022), outstanding principal and interest due in full upon maturity in September 2027.2,000	2,000
Note payable to Dignity Health. Interest payable in arrears on a quarterly basis (2% at December 31, 2023 and 2022), outstanding principal and interest due in full upon maturity in January 2026. Secured by interest in equipment.1,000	1,000
Long-term obligations \$ 7,933 \$	8,032

The future principal payments on the remaining loan balances are estimated as follows (in thousands):

Year Ending December 31,

2024	\$	1,536
2025	Ψ	1,556
2026		1,110
2027		2,114
2028		3,067
Total	\$	7,933

Management has determined that the Foundation is in compliance with all covenants as of December 31, 2023. Interest expense for all business loans and lines of credit for 2023 and 2022, totaled \$275,365 and \$208,737, respectively.

NOTES TO COMBINED FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

9. PAYCHECK PROTECTION PROGRAM LOAN

In April 2020, SHF received a Paycheck Protection Program (PPP) loan under the Federal Coronavirus Aid, Relief, and Economic Security (CARES) Act totaling \$768,552. The terms and repayment conditions of PPP loans were modified through the subsequent Paycheck Protection Program Flexibility Act (PPPFA) signed into law in June 2020. Under the CARES Act, as modified by PPPFA, a portion or all of the loan and accrued interest may be forgiven provided the funds are spent on qualifying payroll and other expenditures in the 24-week period following the loan and provided certain other criteria regarding full-time equivalent employee and payroll levels are maintained. The portion of the loan that does not qualify for forgiveness or any additional amount that the Foundation chooses to maintain as a loan, was originally required to be repaid within 2 years at 1% interest.

SHF received partial forgiveness in October 2021 of \$271,761 in principal and \$4,080 in interest. The repayment period on the remainder of the original loan was extended to April 2025.

Future minimum principal payments for this agreement are as follows (in thousands):

Year	Ending	December	31,	
	_			

2024 2025	\$ 147 49
Total	\$ 196

10. LEASES

The Center has lease agreements for office space with Uptown Investments, LP through October 2027, and with Gateway Oaks Investors LLC through January 2028 which are included on the combined statements of financial position as of December 31, 2023 and 2022 as an ROU asset of \$1,751,102 and \$446,504, respectively, and operating lease liabilities of \$1,847,459 and \$447,666, respectively.

The ROU asset and operating lease liabilities were calculated using a risk-free discount rate of 4.27% for the lease with Uptown Investments, LP and 3.48% for the lease with Gateway Oaks Investors LLC. The weighted average discount rate associated with these operating leases as of December 31, 2023 is 3.63%.

As of December 31, 2023, the weighted-average remaining lease term for all operating leases is 4.03 years.

Rent expense for these leases totaled \$439,466 and \$17,045 for 2023 and 2022, respectively. Cash paid for amounts included in the measurement of operating lease liabilities totaled \$339,884 and \$15,833 for 2023 and 2022, respectively.

NOTES TO COMBINED FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Maturities of the lease liability for this lease are as follows (in thousands):

Year Ending December 31,	
2024	\$ 420
2025	496
2026	521
2027	514
2028	 36
Total lease payments	1,987
Less: present value discount	 (140)
Total operating lease liability	\$ 1,847

11. FAIR VALUE MEASUREMENTS

The following is a summary of fair value measurements of assets and liabilities measured at fair value on a recurring basis (in thousands):

Total as of December 31, 2023:	Level 1	NAV
Marketable securities	\$ 28,774	\$ 8,751
Limited partnerships		14,803
Certificates of deposit	 636	
Total	\$ 29,410	\$ 23,554
Total as of December 31, 2022:		
Marketable securities	\$ 30,243	\$ 3,396
Limited partnerships		16,528
Certificates of deposit	 622	
Total	\$ 30,865	\$ 19,924

Based on the borrowing rates currently available to the Foundation for bank loans with terms and average maturities similar to those debt agreements under which it currently is obligated, the fair value of long-term debt approximates its carrying value. For grants payable, because they are discounted to present value, fair value also approximates the reported balances. Investments in limited partnerships typically invest in private securities for which there is no readily determinable market value. In these cases, market value is measured at the net asset value under the practical expedient in accordance with professional standards, which is determined by external managers based on a combination of discounted cash flow analysis, industry comparables, and outside appraisals.

NOTES TO COMBINED FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

The Foundation uses NAV to determine the fair value of certain investments by major category as follows (in thousands):

	Remaining	Redemption	Redemption	Unfunded	Fair value using NAV on <u>December 31:</u>					
Type	<u>life</u>	<u>terms</u>	<u>restrictions</u>	<u>commitment</u>		<u>2023</u>		<u>2022</u>		
Marketable securities limited partnership	N/A	Weekly	5 days notice	N/A	\$	8,751	\$	1,786		
Limited partnerships	N/A	Illiquid Quarterly and semi-	Illiquid 95 days	N/A		14,803		16,528		
Hedge funds	s N/A	annually	notice	N/A				1,610		
Total:					\$	23,554	\$	19,924		

12. NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions are available for the following purposes at December 31 (in thousands):

	<u>2023</u>	<u>2022</u>
Public policy	\$ 14,943	\$ 14,954
Improving health	11,233	46,407
San Joaquin Valley Health Fund	1,307	3,709
Youth development	482	825
Nonprofit health sector	234	372
Disaster relief	 140	 240
Total net assets with donor restrictions	\$ 28,339	\$ 66,507

13. RETIREMENT PLAN

The Foundation has a 401(k) savings plan (Plan) in which employees 19 years of age or older who had completed 1 Hours of Service each month during three consecutive months of employment were eligible to participate. During the years ended December 31, 2023 and 2022, the Foundation made a Safe Harbor matching contribution equal to 100% of elective deferrals that do not exceed 6% of compensation for all eligible participants. The Safe Harbor matching contribution is 100% vested. For the employer profit sharing, vesting is 0% after one year, 50% after two years and 100% vested after three years of service. Foundation contributions under the Plan totaled \$432,101 and \$310,682 for 2023 and 2022, respectively.

NOTES TO COMBINED FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

14. FUNCTIONAL EXPENSES

Functional expenses for the years ended December 31, 2023 and 2022 are as follows (in thousands):

NOTES TO COMBINED FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

15. PROVISION FOR EXCISE AND INCOME TAXES

The provision for excise taxes consists of current excise tax expense (benefit) of \$94,882 and \$34,000 for 2023 and 2022, respectively. Excise taxes are estimated annually based on calculated investment returns and management's judgment.

Deferred tax liabilities related to the unrealized appreciation in the fair value of securities are \$80,000 as of both December 31, 2023 and 2022, and are included in accrued expenses in the combined statements of financial position.

The Foundation has loss carryforwards from unrelated business activities of investments in limited partnerships. Loss carryforwards as of December 31, 2023 and 2022 are \$2,400,953 and \$3,008,663 for federal and state purposes, respectively. These amounts will expire between 2024 and 2037 for federal purposes, however net operating losses for federal purposes incurred in 2019 or forward will not expire but carryforward indefinitely. These amounts will expire between 2031 and 2039 for state purposes. A full valuation allowance has been recorded against related deferred tax assets totaling \$594,902 and \$722,141 for 2023 and 2022, respectively, representing a net decrease of \$127,239.
